**OUR CULTURE**

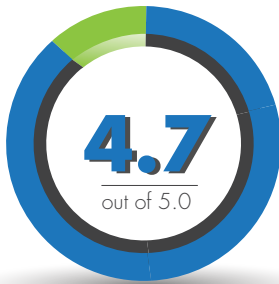

We recently surveyed our employees to uncover what makes RAGE a **great place to work** and why they think we provide the **best service in the industry.**

**We are turning up the dial on employee satisfaction.**

Having the best team means our employees are united in their belief that we provide the best service in the industry. When asked to rank the level that they agree with the following statements, the results speak for themselves.

RAGE is the top industry expert.

RAGE provides innovative products and services.

RAGE understands the needs of our customers.

Words employees use to describe RAGE:

KNOWLEDGE valuable **VALUE**  
**SIMPLY THE BEST** TRUSTWORTHY  
 FUN excellence *a great company*

**rage**  
 ADD VALUE  
 OR DON'T PARTICIPATE

The RAGE team shares what they are most proud of...

*We are a team and family.*

*We build and retain relationships with our customers by providing a quality of service that is unmatched by our competition.*

*We see every customer as a long-term partner.*
